INDIANA STATE LAW CONCERNING USE OF PARTY LINES IN CASE OF EMERGENCY

A Statute enacted by the 1955 Indiana Legislature makes it unlawful to misuse party line telephone service in cases of emergency. An emergency is defined in the law as "a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential." The law, in part, reads as follows:

Section 2. It shall be unlawful for any person using a telephone on a party-line to refuse to yield such party-line, when requested to do so, to any person who wishes to place an emergency call from a telephone on such party-line. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

Section 3. It shall be unlawful for any person to obtain the use of a telephone on a party-line by falsely alleging the existence of an emergency. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

DIRECT DISTANCE DIALING

All telephones except coin can dial station-to-station calls to most places in the United States and Canada. See page 3.

WHEN PLACING CALLS WITH THE OPERATOR

Please tell her:

1. Special instructions, if any (collect, person-to-person, credit card, etc.)
2. Area Code if it is different from the Area Code of the phone you're using.
3. Telephone number you're calling.
4. Your number, when the Operator requests it.

TYPES OF CALLS

STATION-TO-STATION (Dial Direct)

Rates are lower than person-to-person. Charging begins when you are connected to the telephone number you called.

PERSON-TO-PERSON (Dial Operator)

Call person-to-person if you want to talk with a particular person, or a particular extension, department or office served by a switchboard. Charging begins when you are connected with the person, extension, department or office you called. Rates are higher than station-to-station.

COLLECT (Dial Operator)

Most calls can be made "collect" if the person you are calling agrees to pay the charge. If you want the call made collect, please be sure to tell the Operator when you give her the call. For station-to-station calls within Indiana placed "collect" an additional 10 cents is charged.

CONFERENCE (Dial Operator)

You can talk with several people in different places at the same time. If you wish to do this, tell the Long Distance Operator you want to make a conference call.

OVERSEAS (Dial Operator)

To place calls or to obtain the rates for overseas calls, dial the Long Distance Operator and ask to be connected with the overseas Operator handling calls to the desired ship or country.

Direct Distance Dialing

For station-to-station calls from all phones except coin

TO OBTAIN THE DISTANT AREA CODE

A list of Area Codes for many communities is shown on pages 5 - 6. If the called place is not listed, dial Operator and ask her for the Area Code.

Dial "1," first, then the Area Code (when different from yours) then 555-1212. When the Information Operator answers, first give her the city or town, then the name and address you are calling.

IF YOU REACH A WRONG NUMBER

Dial Operator immediately and tell her what town you reached so you will not be billed for the call.

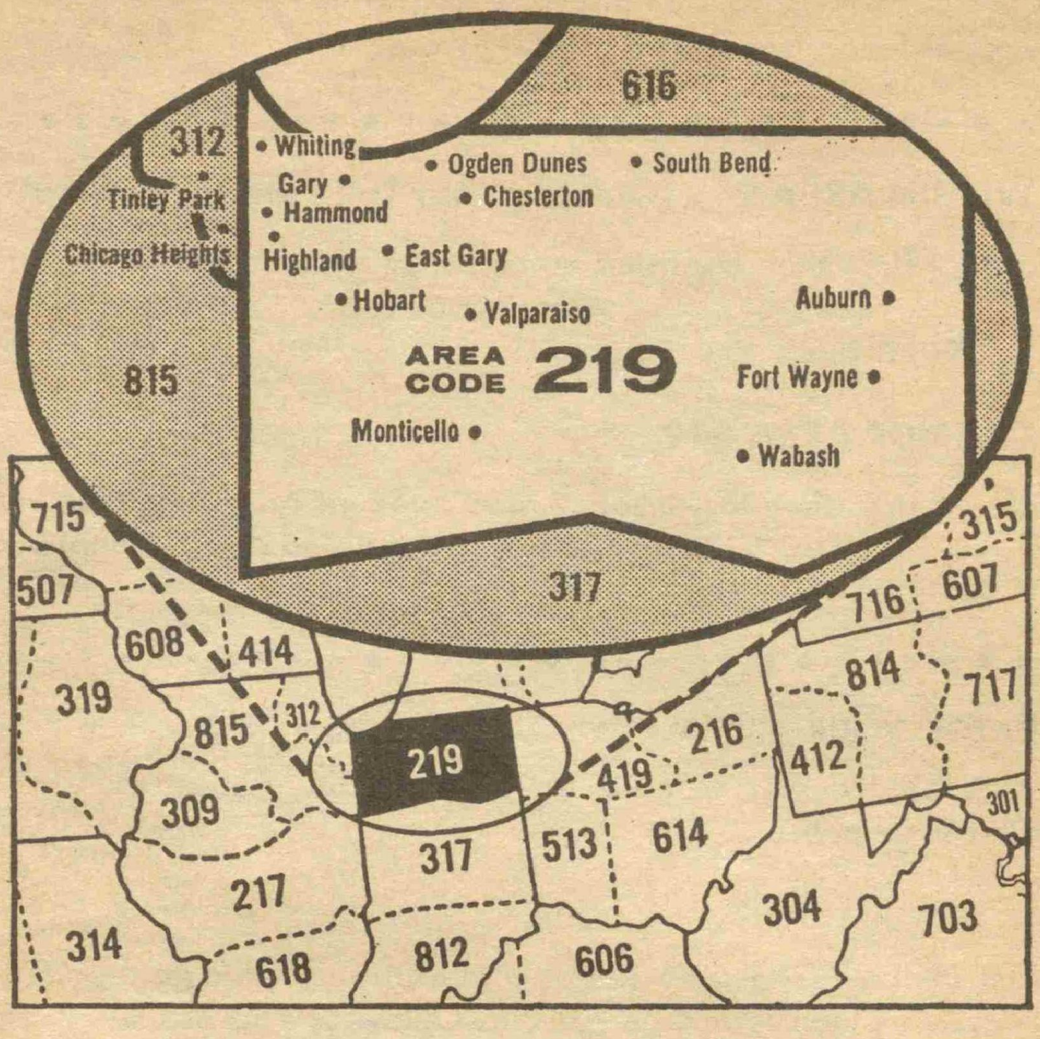

YOU WILL NOT BE CHARGED

- If you hang up before you dial the complete telephone number.
- If the telephone you dial is busy or does not answer.
- If you call Information in a distant city.

IF YOU NEED ASSISTANCE, DIAL OPERATOR

She will be glad to help you.

Area Codes speed your long distance calls

For faster long distance calling the United States and Canada are divided into more than 120 telephone areas, each identified by a three-digit Area Code. Indiana is divided into three numbering plan areas. **Your Area Code is 219** (see map).

Dial "1," first, then the distant Area Code when different from yours. Do not dial the Area Code when it is the same.

Even on calls you must place with the Operator, the Area Code will help you get them through faster. Just give her the Area Code (when different from yours) and the telephone number you want. For example, say "Area Code 311, 555-2368."

A list of Area Codes for many communities is shown on pages 5-6. If you want the Area Code for a place not listed, the Operator will be glad to provide it.

Helpful Information

YOUR TELEPHONE NUMBER IS IMPORTANT

It's smart to make it easy for people to reach you. So why not include your telephone number on your stationery, statements and all advertising pieces? Show your Area Code, too—it helps distant parties call you faster.

For example: **Telephone** | **Area Code 311 555-2368**

OUT-OF-TOWN DIRECTORIES

Directories of some other cities may be obtained by our customers at a nominal charge.

Call your Service Representative—See page 1.

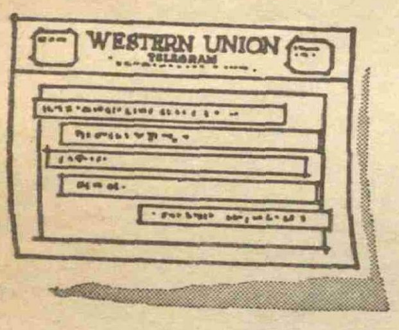

RECORDED TELEPHONE CONVERSATIONS

("Beep" tone)

If you hear a "beep" tone at fifteen-second intervals, your telephone conversation is being recorded by the person you are talking to. This signal is transmitted automatically whenever a recording machine is connected to the line. It is for your protection.

If you do not want a record made of what you are saying, ask the person with whom you're talking to disconnect the recording machine. The "beep" signal will stop when the recorder is disconnected.

Use of a recorder without this signal is contrary to Company tariffs and is not permitted.

TELEGRAMS BY TELEPHONE

You may telephone telegrams, cablegrams, or radiograms to the Western Union Telegraph Company and have the charges appear on your telephone bill. You may also telephone your Western Union telegrams from coin telephones, paying as you would for a telephone call.

UNAUTHORIZED EQUIPMENT

The Telephone Company furnishes all equipment necessary to provide telephone service. In the interests of safety and good service, no equipment, apparatus or device not furnished by the Telephone Company may be attached to, or used or connected with, its facilities, except as provided in the Company's tariffs.

EMPLOYEE IDENTIFICATION CARDS

For your protection, any employee who visits customer premises carries an official identification card showing his or her name, photograph and signature. If you have the slightest doubt about anyone who says he's "from the Telephone Company," ask to see his card.

A BUYERS' GUIDE, containing Classified Lists of Customers of Business Telephone Service of the Illinois Bell Telephone Company. Names are arranged in alphabetical order, under headings generally descriptive of the type of business or profession.

As an added service to users of this directory as well as to themselves, many business telephone customers have purchased additional directory representation consisting of listings, night telephone numbers, office hours, and advertising.

It's easy to find it fast in the YELLOW PAGES

WHEN YOU WANT TO BUY SOMETHING . . .
Look for the classification which describes the product or service desired. Then select the individual or concern with whom you wish to deal.

WHEN YOU ARE LOOKING FOR A TRADE MARKED PRODUCT OR SERVICE . . .
Turn to the appropriate classification and find the name of the product or service listed alphabetically within the column. Select your dealer from those listed under that brand name.

WHEN YOU'VE FORGOTTEN ALL OR PART OF A BUSINESS FIRM'S NAME . .
Turn to the proper classification and you will find all the companies listed alphabetically by name. Then all you have to do is check those listed for the name or location you recognize.

My handy kitchen phone helps me keep little hands out of mischief!

The day I ran into the living room to take a phone call and Jimmy started to help me at the hot stove while I was gone—that was the day I told Joe we were getting an extension phone in the kitchen!

I called the phone company and they sent a man out with all sorts of phones—so many to choose from and in such pretty colors. I took the wall style—in pink to match my stove.

Wouldn't a phone in *your* kitchen be a big help? Just call your business office today. Or ask your telephone man.
